

# KAISER PERMANENTE PLUS™ MEMBERS:

## KAISER PERMANENTE PLUS: INFORMATION FOR PROVIDERS

---

The Kaiser Permanente Plus plan offers Kaiser Permanente members the opportunity to access care from any licensed out-of-network provider, regardless of whether the provider is contracted with Kaiser Permanente. For these plans, providers who are not affiliated with the Classic or Classic + Dental Choice networks are considered out-of-network, including providers in the Classic or Classic + Dental Choice networks. Members do not need a referral to use their limited out-of-network benefits.
